

Frequent Trader ID Field Inactivated on Cboe Trade Match (CTM) Terminal

Overview

Effective **Friday, April 13, 2018**, the Frequent Trade ID field enhancement which was introduced on March 19, 2018 and announced in the following notice – [FTID](#) - will be inactivated due to a software defect. A future notice will be disseminated announcing the re-activation date of this feature on the Cboe CTM Terminal. TPHs that require FTID modifications on trade records must continue to submit these changes according to the procedure detailed in Regulatory Circular – [RG16-040](#).
